Together we can accomplish anything!

- AANW National, Oregon and Tillamook appreciate you as a member.
- We need to protect our gains and double our commitment through AAUW
- Do you know – AAUW has special consultative status with the **United Nations Department of Economic and Social Affairs**. AAUW attends briefings, organizes events, submits statements, and participates in coalitions to take action on issues that impact women and girls around the world.
- Since our founding in 1881, we have published hundreds of research reports, even an 1885 paper disproving a prevailing myth that college impairs a woman’s fertility.
- We have come a long way, but we aren’t through. **Join us again. You matter.**

Thank you.
